Statement of Purpose

The Board of Retirement, the Board of Investments, and designated staff have a fiduciary duty:

- To obtain education on matters of public pension administration and investments,
- To monitor the administration and investments of the Trust,
- To monitor the work of those to whom the Board has delegated authority to administer and manage Trust assets, and
- To advocate positions that protect and further the interests of the Trust.

It is the desire and intention of the Board of Retirement and the Board of Investments to ensure that the Boards and staff may perform their fiduciary duties, by implementing an education and travel policy by which:

- Board Members and staff receive current benefit, financial and policy information pertinent to the administration of public pension plans, the administration and management of the retiree health care program, and the investment of public pension funds,
- Board Members and staff may travel to advocate positions that protect and further the interests of the Trust, and
- Board Members may complete their required 24 hours of “board member education” every two years as mandated by Government Code §31522.8.

The Boards desire to avoid even the appearance of impropriety in connection with education and travel. The Boards acknowledge that acceptance of gifts of travel, such as transportation, meals, and lodging by a public agency, though permitted under certain circumstances by applicable law, can create the appearance that LACERA encourages “pay to play” and may, unwittingly, create opportunities for undue influence on Board Members and staff. LACERA’s education and travel policy therefore does not permit LACERA as an entity to accept gifts of travel.

The Boards further acknowledge that international travel, though expensive, is increasingly necessary in light of today’s global economy and LACERA’s ongoing prudent investment of a substantial portion of its assets outside the United States.
EDUCATION AND TRAVEL POLICY

This policy is to be implemented in compliance with the relevant provisions of the California Government Code and federal law, and in harmony with existing philosophy, objectives, policies and guidelines previously approved by the Boards of Retirement and Investments.

This policy shall be reviewed by the Travel Committee of the Board of Retirement and Board of Investments annually or as needed and may be amended by both Boards at any time.

705.00 – EDUCATIONAL CONTENT REQUIREMENT

Except as provided in Section 705.01.A.1, conferences and seminars must contain an average of five hours of substantive content per day, excluding travel days.

705.01 – EDUCATION AUTHORIZATION

A. Board Members

1. Local educational conferences and seminars not requiring common carrier travel and lodging and where the registration fee is $500 or less are approved for attendance. Such conferences and seminars must contain substantive content but are not subject to the five-hour per day content requirement of Section 705.00.

2. Educational conferences, seminars and meetings listed on Attachment C are preapproved for attendance and expense reimbursement provided all other policy requirements are met.

3. Educational conferences, seminars, and meetings not listed on Attachment C and not covered by Section 705.01.A.1 require prior approval by the Board. Memoranda submitted to the Board seeking approval to attend conferences, seminars and meetings shall include the registration fee and hotel rate.

4. Attending a conference, seminar and meeting held outside of the United States requires prior Board approval whether or not such conference, seminar or meeting is listed on Attachment C.

5. The Board may ratify attendance at otherwise unapproved conferences, seminars and meetings for good cause explained in a written communication to the Board.
6. Requests for conference attendance and travel arrangements must be made in writing and directed to the appropriate Board staff secretary.

B. Staff Members  The Chief Executive Officer, or designee, shall approve staff education and travel.

705.02 - AUTHORIZED EXPENSES

Authorized educational and related travel expenses for Board Members and staff shall be determined by the Boards as set forth in Attachment A. LACERA Board Members and staff shall be reimbursed for reasonable and necessary expenses incurred, and documented, in connection with LACERA business.

705.03 - COSTS OF ADMINISTRATION

Education and travel expenses for Board Members and staff shall be administrative costs and may not be paid through third party contracts. It is LACERA’s policy that LACERA, as an agency, will not accept gifts of travel.

705.04 - CLAIMS FOR REIMBURSEMENT

An education and travel expense reimbursement shall be claimed by completing an expense voucher form available on the LACERA intranet website and submitting it to the appropriate authorizing person. Board Members may submit their expense reimbursements to their respective Board staff secretaries and staff to their Division Manager. All expense reimbursement requests shall be accompanied by receipts and/or other reasonable documentation. The deadline for submitting an education and travel reimbursement claim is 90 days after completing the education, or 30 days after the fiscal year-end, whichever comes first. Extensions to this deadline may be granted upon showing good cause.

705.05 – BOARD PRIORITY WHERE ATTENDENCE IS LIMITED

Should an education provider limit Board Member attendance, it is the Boards’ intent to provide attendance priority to the specified Board as designated in Attachment C. The basis for this designation is for the Board of Retirement Members to have attendance priority for benefit, healthcare, plan administration, and general policy conferences and for the Board of Investments Members to have priority for investment and actuarial conferences. In this context, the term "conference" is meant to include conference, meeting, roundtable, symposium, or any other term used to describe an educational opportunity. Should a conference not listed in Attachment C be approved by both
EDUCATION AND TRAVEL POLICY

Boards, such conference will be prioritized by the CEO in the manner used to set Board Priority in Attachment C.

705.06 - SELECTION OF ATTENDEES WHERE ATTENDANCE IS LIMITED

In the event attendance at a conference or seminar where the number of LACERA representatives that may attend is limited, a Board staff secretary shall canvass the Board with conference priority, per Attachment C or so designated, to identify those Board Members interested in attending. In the event more Board Members from the Priority Board desire to attend than the conference provider will accommodate or this policy allows, such attendance will be determined by the appropriate priority listing as described in Attachment B. After fulfilling attendance needs for the Board with attendance priority, remaining attendance opportunity will shift to the other Board.

705.07 – CONFERENCE ATTENDANCE LIMITATIONS

A. Number of Conferences Subject to Reimbursement per Fiscal Year

1. Every Board Member is authorized to attend up to 8 approved conferences per fiscal year, and up to 12 if the Board Member is serving simultaneously on both Boards.

2. It is the policy's intent for Board members to have the ability to maximize attending local educational conferences. As such, conferences that do not require common carrier travel and lodging is under $1,500, are not subject to the 8 (or 12, as applicable) conference attendance limit.

B. Failing to Attend or Canceling a Conference Timely

Travel expenses incurred by a Board Member for the first 8 (or 12, as applicable) approved conferences the Board Member attends per fiscal year are subject to reimbursement by LACERA in accordance with this Education and Travel Policy. If a Board Member is enrolled for a conference but fails to attend or timely cancel and LACERA incurs an expense as a result (e.g., conference registration, travel and lodging cancelation fees), that conference counts toward the limit until the Board Member reimburses LACERA for all expenses incurred, unless the failure to cancel is excused under Section 705.12(c).

C. Exceeding the Number of Conferences Subject to Reimbursement per Fiscal Year

LACERA will not reimburse a Board Member for expenses associated with
conference attendance by a Board Member during the remainder of the fiscal year once the sum of approved conferences a Board Member attends plus those for which LACERA has incurred unreimbursed, unexcused cancelation expenses reaches 8 (or 12). The Board Member shall be responsible for all such expenses, including without limitation the registration fee, lodging, transportation and meal expenses. A Board member may place on the agenda of the member’s respective Board a request to approve exceeding the conference limit specified in this Section.

D. Seminars and Conferences Outside the United States

In addition to the limitations described in 705.06, the following limitations shall apply to attending conferences and seminars outside the United States (International Conferences). For purposes of Section 705.07.D.1 and 2, conferences and seminars in Canada and Mexico shall not be considered International Conferences:

1. An individual Board member shall not be authorized to attend more than two International Conferences in any fiscal year if the member serves on one Board, or more than three International Conferences in any fiscal year if the member serves on two Boards,

2. Not more than three Board members shall be authorized to attend the same International Conference,

3. Prior to attending an International Benefit Conference, a Board Member is required to attend an American Health Insurance Plans (AHIP) National Policy Forum or World Health Care Congress, and

4. Prior to attending an International Investment Conference a Board Member is required to successfully complete the State Association of County Retirement Systems (SACRS) Public Pension Investment Management Program or the University of Pennsylvania Wharton School of Business Portfolio Concepts and Management course.

705.08 - CASH ADVANCES

Cash advances will not be allowed unless specifically approved for Board Members by the appropriate Board and staff by the CEO.

705.09 - EXPENSES FOR TRAVELING COMPANIONS

Education and travel expenses for family members and/or traveling companions are not
reimbursable by LACERA.

705.10 – ADDITIONAL TRAVEL DAYS TO MINIMIZE OVERALL TRAVEL COST

Travel the day prior to and/or the day after a conference will be reimbursed if reasonably necessary because of time constraints. More than one additional day prior to and/or after international travel will be reimbursed as reasonably necessary based on the location of the conference. In addition, lodging and per diem for extra days prior to or after a conference will be reimbursed if such extension results in lower overall trip costs. For staff, cost comparisons for trip extensions shall include the costs of salary for any work days lost by the extension. Written justification for travel expenses incurred prior to or after a conference shall be submitted with the claim for reimbursement.

705.11 - GROUND TRANSPORTATION

Individuals will be expected to use group shuttle service to and from metropolitan destinations unless such use is precluded by time constraints or it is safer, more efficient, or more economical to hire a taxi or rent a car, pay for parking, fuel, etc. Reimbursement of an alternative mode of transportation will be limited to the cost of the group shuttle service unless otherwise justified. When renting a vehicle, purchase of optional insurance is not necessary as LACERA’s insurance will cover the same risks.

705.12 – CANCELING EDUCATION AND TRAVEL ARRANGEMENTS

A. Responsibility for Timely Cancelation

Individuals are responsible for timely canceling education and travel arrangements made on his/her behalf which will not be used so that no costs will be incurred by LACERA.

B. Responsibility for Untimely Cancelation Costs

Individuals are responsible for all costs LACERA incurs as a result of the individual’s failure to cancel education and travel arrangements before cancelation charges accrue, unless the failure to cancel was due to facts or circumstances beyond the traveler’s control. The traveler must reimburse LACERA within 30 days after notification of the amount due. If reimbursement is not made within such 30-day period, and payment is still due, the amount shall be deducted from any payment due the traveler from LACERA.
C. Responsibility for Untimely Cancelation Costs with Good Cause

If the individual believes the failure to cancel was due to facts or circumstances beyond their control, they must submit a written excuse to the Board Chair, or to the CEO if the individual is staff, within 30 days after receiving notification of the cancelation expenses due. For Board Members, the Board Chair will approve or disapprove the excuse in writing to the individual, with a copy to the Board's staff secretary. If the individual is a Board Chair, then the written excuse must be submitted to that Board’s Vice Chair who will then approve or disapprove the excuse. If the individual is a Vice Chair simultaneously serving as the acting Chair, then the Vice Chair’s written excuse must be submitted to that Board’s Secretary who will then approve or disapprove the excuse. Should a Board Member disagree with the Board Officer's determination, the Board Member may request the Board's staff secretary to agendize the matter for the Board's consideration.

705.13 – INTERNATIONAL TRAVEL INSURANCE

LACERA will purchase travel insurance covering Board Members and staff while traveling internationally on LACERA business. The insurance will include accident, medical, security assistance and evacuation, travel assistance, trip cancelation, interruption or delay, and baggage loss or delay coverage.

705.14 - TRAVEL REPORTS

The Chief Executive Officer shall submit a monthly Travel Report to both Boards listing the current fiscal year's completed, anticipated, and canceled education attendance for Board Members. Such report will include staff's educational travel.

A quarterly Travel Report listing Board Member education and travel expenses paid/reimbursed by LACERA shall be provided to both Boards. Such report shall identify the purpose, location, and cost. Such report will include staff's education and administrative travel.

705.15 - REPORT FOLLOWING ATTENDANCE AT CONFERENCE AND SEMINARS

Board Members who attend a conference, seminar or meeting, are encouraged to report at a Board meeting the information and knowledge gained, an evaluation of the conference, seminar or meeting, and recommendation concerning future participation.
705.16 - TRAVEL BY NEWLY APPOINTED AND ELECTED BOARD MEMBERS

A person duly appointed or elected to the Board of Retirement or Board of Investments shall, for purposes of this policy, be deemed to have assumed the office of Board Member as of the date the person’s appointment is approved or election is certified by the Board of Supervisors. It is the intent of this Section that incoming Board Members attend seminars and conferences as part of their orientation and preparation to assume the duties of a LACERA Board Member.

For purposes of Section 705.07, seminars and conferences related to the topics listed in Government Code §31522.8 that are attended during the six months prior to the date an individual’s term of office commences shall be counted towards the number of seminars and conferences that may be attended during the first fiscal year of the individual’s term in office.

A copy of this policy, related policy procedures, and list of all pre-approved, approved, or likely to be approved conferences scheduled to occur during the first six months of the newly elected or appointed member’s term are to be provided to each new Board Member at the beginning of his/her term.

705.17 - BROWN ACT COMPLIANCE

No more than four members of either Board are authorized to meet together to discuss LACERA business unless there is appropriate public notice of the meeting pursuant to the Ralph M. Brown Act. All meetings subject to the Brown Act must be held within the County of Los Angeles, unless otherwise permitted by the Brown Act. A person holding membership on both the Board of Retirement and Board of Investments counts as one of the members in attendance for each of the Boards. Attendance at conferences, seminars, meetings and social activities by more than four members of a Board is not a violation of this provision.

705.18 – WAIVER OF POLICY PROVISIONS

For good cause presented in writing, and in the exercise of its sound discretion, the Board of Retirement or the Board of Investments may waive compliance with specific requirements of this Policy when in the best interest of LACERA.
When determining reimbursement limits for lodging and meals, LACERA considers how much control it has over those travel costs. Conference/seminar sponsors select the city and hotel for their conferences and LACERA has little or no input in the decision. Similarly, conference sponsors often provide meals, and LACERA again has little or no input as to the place or menu. Where LACERA’s input regarding lodging and meals is limited – and thus its ability to control the cost of such items is limited – it is appropriate to reimburse the actual travel costs incurred subject to the requirements set forth below in this Attachment A with respect to individual expense categories, unless to do so would jeopardize LACERA’s tax-exempt status.

The same rationale applies to meetings of limited partners, members, shareholders, advisory committees, etc. of entities to which LACERA has invested trust funds (“investor meetings”). LACERA has little or no input as to the location of investor meetings, or with respect to the meals provided during such meetings. Therefore investor meetings should be treated as “conferences/seminars” and not administrative travel for purposes of determining appropriate lodging and meal reimbursements.

A policy that reimburses actual lodging and meal costs where LACERA has little or no control over those costs provides benefits to LACERA. First, its Boards and staff will be better able to travel to educational conferences and investor meetings in fulfillment of their fiduciary duties if they do not have to bear the cost of such travel personally. Second, LACERA benefits from having its personnel enjoy the convenient educational access, increased networking opportunities, and safety afforded when staying at the designated conference or investor meeting hotel.

Travelers are encouraged to schedule travel in a way that minimizes LACERA’s travel expenses. For example, a traveler may have a conference to attend and a due diligence visit to make in the same geographic area at or about the same time. The traveler should either (i) make two trips (i.e., return home after the first event) or (ii) make one trip (i.e., remain in the region in the interim between the events, and receive transportation, lodging and meal reimbursement during the interim as otherwise permitted by the Travel Policy), depending upon which results in lower overall cost to LACERA.

Amounts which can be reimbursed for transportation, lodging, meals and other items are indicated as follows:
TRANSPORTATION:

A. Airline Travel

1. Board Members and staff will travel in coach/economy class except that they may travel in business class or its equivalent for:

   a. Flights having a scheduled non-stop flight time or total connecting travel time from original departing airport to the final destination airport of five hours or more and

   b. Red-eye flights. “Red-eye flights” are defined as flights in which a majority of the flight time occurs between 10:00 PM and 6:00 AM.

   c. Flights arriving or departing at an international location.

2. LACERA will reimburse the additional cost of coach/economy class seats advertised as having additional leg room regardless of flight time.

3. Recognizing air carriers have begun charging for incidental items historically included in the ticket price (for example, checking luggage, providing pillows, blankets, and non-alcoholic beverages during flights, etc.), LACERA also will reimburse carrier charges for such incidental items.

4. Substantiation of airline travel shall include a copy of the ticket or E-mail confirmation showing the cost of the air travel.

5. Board Members and staff traveling by air to conduct LACERA business may use only regularly-scheduled airline services operating by an air carrier certified by the Federal Aviation Administration or comparable foreign authority. Board Members and staff are prohibited from traveling on LACERA business via private aircraft, including but not limited to aircraft owned, leased, or rented by the individual Board Member or staff. Persons traveling on LACERA business via private aircraft will be deemed to be acting outside the scope of their responsibilities and employment. They will not be covered by LACERA’s liability insurance.
B. Other Common Carrier Travel

1. Travel permitted under this Travel Policy should be accomplished in the most cost-effective and efficient manner practicable, considering the costs of the mode of transportation, travel time, accommodations, and per diem.

2. Generally air travel is the most cost-effective and efficient means for long distance travel, with “long distance travel” defined as a travel to a site more than 600 miles from LACERA’s headquarters.

3. Where a traveler has special travel needs or concerns such that travel by air for long distance travel is not practicable, then the traveler may use an alternate common carrier (e.g., train or bus) and incur such reasonable expenses associated with that mode of travel (e.g., sleeper car, additional days of per diem).

4. Substantiation of other common carrier travel shall include a copy of the ticket or E-mail confirmation showing the cost of the travel.

LODGING:

A. Room Cost

Reimbursement is limited to a standard class single room rate, including mandatory taxes and hotel fees. Actual expenses for lodging will be reimbursed upon submittal of receipts.

B. Government Rates

Board Members and staff traveling on LACERA business should always request government rates when making reservations and/or checking in. LACERA recognizes that the governmental rate offered for local governmental entities like LACERA may be higher than the federal government rate, or may not be available at all, especially in connection with international travel or conference attendance.

C. Attendance at Conferences and Investor Meetings

LACERA acknowledges that the cost of a standard room at a conference hotel may exceed the standard lodging reimbursement rate. Nevertheless, Board Members
and staff attending conferences are expected to stay at the designated conference meeting hotel to promote convenient educational access, networking, and safety. Reimbursement for lodging at a conference meeting is limited to the standard room rate charged by the conference meeting hotel. When lodging at the conference hotel is unavailable, reimbursement is limited to the best available rate for a standard room at a nearby hotel of comparable quality. The traveler will be responsible for any excess cost. This applies for staff attendance at investor meetings.

D. Travel Not Connected With Conferences or Investor Meetings

The maximum lodging amounts are intended to cover the cost of lodging at adequate, suitable and moderately-priced facilities located near the destination city’s airport or the specific area in the destination city where LACERA’s business will be conducted. Reimbursement for lodging connected with all non-conference travel is limited to:

1. Domestic: Not more than three times the regular per diem rate for the location as established from time to time by the Internal Revenue Service, found at www.gsa.gov (click on “per diem rates”).

2. International: Not more than three times the rate for the location as established from time to time by the United States Department of State, found at: www.state.gov/m/a/als/prdm.

MEALS:

It is the Policy's intent for the traveler to be reimbursed for meals not pre-paid for by LACERA. As such, LACERA will not reimburse the traveler for a meal which has been pre-paid for by LACERA (e.g., when conference registration includes meals), whether or not the traveler consumed the meal, except where the traveler could not consume the pre-paid meal because:

1. The traveler has special dietary or medical concerns, or

2. It was reasonably necessary for the traveler to conduct LACERA business (e.g., meet with an investment advisor) while the pre-paid meal was being served.
If reimbursement is requested under with the Per Diem Method or the Actual Receipt Method for a meal pre-paid by LACERA, written justification as to which of the above two exceptions applies will be provided with the reimbursement request.

Likewise, LACERA will not reimburse the traveler for a meal paid for by a third party.

**Meal Reimbursement**

Reimbursement for meals shall, at the traveler’s option, be based either on "The Per Diem Method" or "The Actual Receipt Method." The traveler may use both the Per Diem Method and the Actual Receipt Method of reimbursement on a single trip, so long as only one method is used per calendar day.

**A. The Per Diem Method**

1. Under the Per Diem Method the traveler agrees to accept a flat rate for meal expense for actual meals eaten and is not required to submit receipts.

2. The per diem allowance will be computed using the Meals & Incidental Expenses rate (the “M&IE Rate”) published by the Internal Revenue Service and in effect on the date of travel for the locality of travel.

3. The per diem allowance shall be claimed in accordance with the Meals & Incidental Expenses Breakdown (M&IE Breakdown) per the IRS, based on the M&IE Rate. The portion of the per diem the traveler receives depends upon when the travel occurs. For example, if the travel occurs during normal breakfast and lunch times, the traveler receives the per diem for breakfast and lunch; if the travel occurs during normal lunch and dinner times, the traveler receives the per diem for lunch and dinner, etc.

**B. The Actual Receipt Method**

1. Under the Actual Receipt Method, reimbursement shall be requested only for the actual cost paid for a meal.

2. Actual cost reimbursed will not to exceed $100 per day.

3. Receipts shall include the following information:
EDUCATION AND TRAVEL POLICY
Reimbursement Schedule
Attachment A

a. Meal cost amount, and

b. Date and location.

4. Credit card receipts are sufficient provided they include the required information.

5. Annotating the meal receipt with the business purpose for the meal will assist staff with processing reimbursements, and if the receipt is for more than the individual, the names of persons whose meals are covered by the receipt.

6. If a host provides a meal, and actual expenses are not incurred, then that meal should be excluded from reimbursement

PORTERAGE:

1. Maximum reimbursement for Porterage is $10 per day of travel (that is, days involving transportation from home to a travel location, from one travel location to another, and from the final destination to home).

2. Porterage shall be based on the actual amount expended and documented on the claim form.

3. Porterage may not be claimed if reimbursement for meals is claimed using the Per Diem Method, as the Per Diem Method's IRS tables already factor in porterage reimbursement.

PARKING:

Parking, including airport parking, will be reimbursed at actual rate (receipt required).

MILEAGE:

Use of a personal vehicle will be reimbursed on a per mile basis at the rate approved by the Internal Revenue Service as of the date of travel.

OTHER BUSINESS EXPENSES:

Other business expenses reasonably incurred in connection with LACERA business, such as business and personal telephone, fax,
internet access, gym access (including the standard gym fee charged by the traveler's hotel or, if hotel gym access is not available, the reasonable cost of daily access to a local gym or health facility), dry cleaning, and similar business expenses, shall be reimbursed upon submittal of receipts. The cost of membership in TSA Pre, Global Entry, NEXUS, SENTRI, or other expedited security and border processing programs shall be reimbursed upon submittal of receipts. Technology needs, for both international and domestic travel, may be discussed with the Systems Division in advance to develop appropriate solutions for the traveler's needs and to manage cost.
PROCEDURE FOR SELECTION OF ATTENDEES
AT CONFERENCES, SEMINARS AND MEETINGS WHERE ATTENDANCE IS LIMITED

The following procedures apply to authorize attendance at conferences, seminars, and meetings where attendance is limited.

A. Board Member Education Priority Listings
   1. Each Board shall keep separate Board Member Education Priority Listings.
   2. Each Board shall keep two listings:
      a. Domestic Education Priority List
         Conferences, seminars and meetings held in the United States shall be considered domestic events for purposes of this policy.
      b. International Education Priority List
         Conferences, seminars and meetings held outside of the United States shall be considered international events for purposes of this policy.
   3. Board Member Education Priority Listings will be maintained by the Board staff secretary.

B. Creating Education Priority Listings
   1. Each Board member will be assigned an Initial Priority Date.
   2. The Initial Priority Date will be the later of:
      a. Board of Supervisor's Appointment date (includes Treasurer Tax Collector), or
      b. Board of Supervisor's Election Certification date, or
      c. Date the Board Member last attended a Domestic/International Conference, as appropriate for list being created.
3. In the event the Board Member is serving concurrent elected or appointed terms, the Appointment/Election date will be earliest date in the current concurrent term of service. Board service will be bridged if the break in Board service is less than 18 months. Bridging Board service provides equity between the regularly appointed members and regularly elected members.

4. The Board staff secretary will sort the Board Members by Initial Priority Date. The Board Member with the oldest date will have the highest priority and the Board Member with the newest date will have the lowest priority.

5. In the event more than one Board Member has the same Initial Priority Date, the priority will be determined for such members by last name alphabetically.

C. Updating an Education Priority List

1. Board Members who attend a Domestic/International Conference will be placed at the bottom of the respective list.

2. Board Members who have a break in Board service for a period more than 18 months will have their names placed at the bottom of the respective lists upon return to Board service.

3. Using the Initial Priority Date method, new Board Members joining their respective Boards will be placed at the bottom of the respective lists.

D. Selection of Board Members Authorized to Attend

When the number of Board Members interested in attending a conference, seminar or meeting exceeds the number of attendees permitted by the sponsor, the Board staff secretary will document members indicating an interest in attending (“Interested Members”). Interested Members shall be authorized to attend in accordance with their priority on the applicable Education Priority List. Upon being authorized to attend, the Board Member shall be placed at the bottom of the Education Priority List.

In the event a Board Member authorized to attend in accordance with the above paragraph later decides not to attend, such Board Member’s position on the
Education Priority List shall be restored to its former position, and the next Interested Member on the Education Priority List shall be authorized to attend.

In selecting Board Members to attend conferences and seminars, a Board Member shall not be considered as an Interested Member if such Board Member is disqualified from attending pursuant to the limitations imposed by Section 705.07.
