The County contributes an amount equal to a percentage of your healthcare plan premium or the benchmark Anthem Blue Cross I, Anthem Blue Cross II indemnity medical plans, and the Cigna indemnity dental/vision plan, whichever is less.

- For members with 10 years of retirement service credit, the County contributes 40% of your healthcare plan premium or 40% of the benchmark plan rate (Anthem Blue Cross Plans I and II for medical and Cigna for dental/vision), whichever is less.
- For each year of retirement service credit beyond 10 years, the County contributes an additional 4% per year of your healthcare plan premium or 4% of the benchmark plan rate (Anthem Blue Cross Plans I and II for medical and Cigna for dental/vision), whichever is less, up to a maximum of 100% for a member with 25 years of service credit. You are responsible for any premium difference each month on premiums exceeding the benchmark amounts (including those with 25 years of service).

County of Los Angeles Contribution—Los Angeles County Retiree Healthcare Benefits Program—Tier 2 (County employees with hire date after June 30, 2014)

The County subsidy is based on **retiree-only coverage**, regardless of whether the retiree includes an eligible dependent(s) on his or her healthcare plan. If you enroll eligible dependents, you will pay the difference on any monthly premium amount that exceeds the **retiree-only benchmark amount**.

The County contributes an amount equal to a percentage of your healthcare plan premium or the benchmark (Medical: Anthem Blue Cross Plans I and II (Not eligible for Medicare) and Anthem Blue Cross Plan III (Eligible and enrolled in Medicare Parts A and B) and Dental/Vision: Cigna Indemnity Dental/Vision Plan), whichever is less.

Medicare-eligible retirees and eligible dependents **must** enroll in Medicare Parts A and B and in a corresponding Medicare health plan, such as Medicare Advantage Prescription Drug Plan (MA-PD) or the Medicare Supplement Plan.

- For members with 10 years of retirement service credit, the County contributes 40% of your healthcare plan premium or 40% of the benchmark plan rate (Anthem Blue Cross Plans I, II and III for medical and Cigna Indemnity Dental/Vision Plan for dental/vision), whichever is less.
- For each year of retirement service credit beyond 10 years, the County contributes an additional 4% per year of your healthcare plan premium or 4% of the benchmark plan rate (Anthem Blue Cross Plans I, II and III for medical and Cigna Indemnity Dental/Vision Plan for dental/vision), whichever is less, up to a maximum of 100% for a member with 25 years of service credit. You are responsible for any premium difference each month on premiums exceeding the benchmark amounts (including those with 25 years of service).
