

**CEO Message: L.A. County Rent Relief Program Opens Monday**

Dear Members:

I hope you continue to stay physically and financially healthy. I want to share an important new L.A. County resource with you in case any of your family members or friends who live in L.A. County are struggling to pay their monthly rent.

To help renters adversely affected by the pandemic, [L.A. County's COVID-19 Rent Relief](#) program opens Monday, August 17, 2020 and closes on August 31, 2020.

Renters with limited means who live in L.A. County who were not covered by recent programs offered by the [City of Los Angeles](#) can apply, with those living in targeted zip codes prioritized for 50 percent of the funding. Their landlord must provide a W-9 and sign a participation agreement in order to have the rent paid on behalf of the tenant. Citizenship documentation will **not** be requested from any party (renter or property owner).

Visit [L.A. County's Covid-19 Rent Relief](#) for more information on eligibility and how to apply, including the list of targeted zip codes and frequently asked questions.

With warm regards,

*Santos H. Kreimann*
